

DOGPATCH URBAN GARDENS

Salad Subscription - 2023

The DUG Salad Subscription is a delicious way to eat salads with fresh, locally grown, seasonal, and nutrient-dense salad greens in a convenient manner. You purchase your share ahead of time and pick up your items each Wednesday.

Each subscription provides **8 oz of fresh greens** for salad each week. This size is ideal for you if you like to pack a salad for lunch or eat a salad with dinner, but also prefer to dine out a few nights a week.

Our Greens Share is a modified CSA (Community Supported Agriculture). CSA stands for Community Supported Agriculture and is a way for our customers to experience many benefits from our farm. You will get access to high-quality and FRESH greens that have a much longer shelf life than greens from a grocery chain. You also get a direct connection to your growers. I send out a weekly "behind the scenes" email and you can see us during pick-up and talk to us about the products. Lastly, CSA members pay for their share ahead of time which helps to cash flow farmers during the off-season. This income helps to pay for seeds, labor, soil amendments, and more to keep the farm running!

Regular price \$125.00
